Evaluation and Grading

The semester/trimester grade point average (SGPA / TGPA) shall be a weighted average of the grade points earned by a student in all the subjects he/she registered in a semester/trimester and shall describe his/her overall performance in that semester/trimester. If the points associated with the letter grades awarded to a student are G1, G2, G3,.....Gk and the corresponding credits are C1, C2, C3,.....Ck, the SGPA/ TGPA shall be given by:

$$SGPA/TGPA = \sigma(Ci \times Gi) / \sigma(Ci)$$

Where:

- **Ci** = Number of credits assigned to the ith subject
- **Gi** = Grade point equivalent to the letter grade obtained by the student in ith subject
- **K** = The number of subjects for which the candidate has registered during the semester/trimester.

The cumulative grade point average (CGPA) shall indicate the overall academic performance of a student in all the subjects registered up to and including the latest completed semester/trimester/summer term. It shall be computed in the same manner as the SGPA/ TGPA, considering all the subjects (say, N), and shall be given by:

$$CGPA = \sigma(Ci \times Gi) / \sigma(Ci)$$

Where:

- **Ci** = Number of credits assigned to the ith subject
- **Gi** = Grade point equivalent to the letter grade obtained by the student in ith subject
- **N** = Number of all subjects completed.

When a student repeats a subject, the new grade will replace the earlier one in the calculation of CGPA.

Medium of Instruction: DIT University's medium of instruction for all programs and courses is English.

CGPA Conversion: Marks percentage equivalent of CGPA, if required, can be obtained by multiplying the CGPA by 10. For example, a CGPA of 8.99 on conversion factor of 10 would be treated as 89.90 percentage (%).

Grading System: The following 'LETTER GRADES' shall be assigned in courses based on the performance of students in each course:

For Pharmacy Program:			For Bachelor Of Science In Nursing & Healthcare:			For Others:		
Grade	Performance Level	Grade Points	Grade	Performance Level	Grade Points	Grade	Performance Level	Grade Points
O	Outstanding	10	O	Outstanding	10	A+	Outstanding	10
A	Excellent	9	A+	Excellent	9	A	Excellent	9
B	Good	8	A	Very Good	8	B+	Very Good	8
C	Fair	7	B+	Good	7	B	Good	7
D	Average	6	B	Above Average	6	C+	Fair	6
F	Fail	0	C	Average	5	C	Average	5
* Pass for Communicative English and Electives – 40% and above Grade Point 4 (40-49.99%)			F	Fail	0	D	Marginal	4
						F	Fail	0

Apart from the above, there will be a few courses that may not lend themselves to a structured grading pattern as mentioned above. In such cases, non-letter grades as listed below will be used: **Good / Satisfactory / Unsatisfactory / Poor**

Note-1: "Non-letter grades" shall not be counted in the calculation of CGPA.

Special Grade: After a student has registered for a course, there may be instances where the student withdraws from the course after the deadline, or the registration is canceled by an executive order (e.g., disciplinary cases). All such cases shall be reported in the grade sheet, transcript, etc., by assigning one of the following letters as a 'report'. These letters do not have any credit points or grade points attached.

W: Withdrawn from the course after the last date of withdrawal

RC: Registration canceled by the authority due to indiscipline, UFM, etc.

RTR: Required to repeat a course as decided by the competent authority

Note-2: Refer to the program catalog document for details of the course category.
